Lösungen: What do you think about plastic in grocery stores? / What do you mean? / Most fruit and vegetables are covered in plastic at the store. / I dislike that as well. I don't think bananas need an extra plastic wrapper. / Why do the stores do that? / Maybe to make the long transport easier? / They should just use paper. / Wrapping everything in paper wouldn't be much better either. / Why? Isn't paper better? / Because producing paper also creates a lot of waste and pollution. / We should just go to our local market. The produce there isn't wrapped in plastic or paper. / Great idea. We would also support our local farmers!
